## PERSONAL PROFILE

I'm an IT Web Developer with a Bachelor of Science in Information Technology from City College of Calamba and a TESDA NC III passer. I'm extremely dedicated, detail-oriented, and passionate about creating efficient digital solutions. I possess strong technical skills in web design and development, including HTML, CSS, JavaScript, PHP, MySQL, and responsive UI/UX design. I'm also experienced in database management, version control (Git), and front-end optimization. My goal is to develop functional, user-friendly, and visually appealing websites that combine creativity with solid technical performance.
